

**a** POETIC samples projected on the molecular landscape  
All samples from TCGA, METABRIC and SCANB are plotted

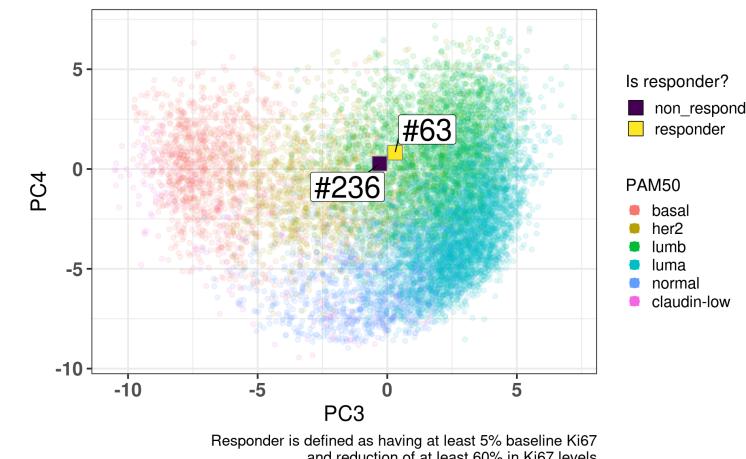

**b** POETIC baseline patients colored by response status  
All samples from TCGA, METABRIC and SCANB are plotted

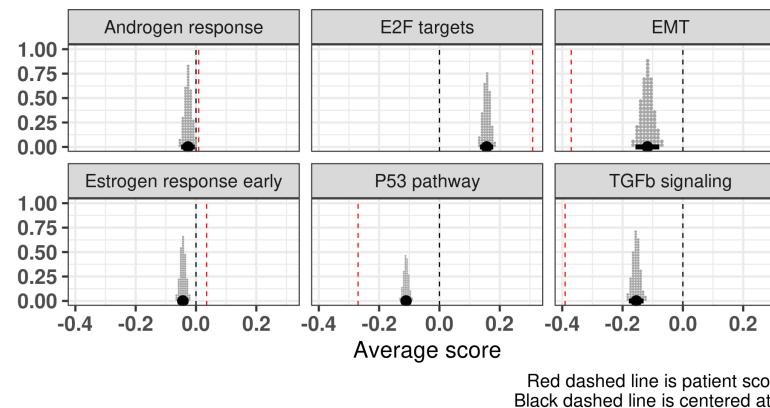

POETIC samples projected on the molecular landscape  
All samples from TCGA, METABRIC and SCANB are plotted

**c** Responder status for each patient in the baseline and treated group

**d** Distribution of average scores in treated\_nb63\_baseline neighborhood

**e** Distribution of average scores in treated\_nb236\_baseline neighborhood
